## Big Y Foods Awarded Exemplary Provider® Accreditation

*SPRING HOUSE, PA (September 2018)* – Big Y Foods, Inc. supermarket chain, with locations in Massachusetts and Connecticut, was recently awarded Exemplary Provider® accredited status by The Compliance Team, Inc., the nationally recognized independent healthcare accreditation organization based in suburban Philadelphia, Pennsylvania.

Big Y's locations were accredited for Community Pharmacy and DMEPOS Part B (Durable Medical Equipment Prosthetics, Orthotics and Supplies). Recipients of Exemplary Provider accredited status must demonstrate outstanding healthcare delivery practices during a rigorous on-site facility evaluation. The Compliance Team's accreditation programs streamline day-to-day operations, benchmark patients' satisfaction, improve the patient/pharmacy experience and position the provider organization for long-term growth.

"The Compliance Team is thrilled to welcome Big Y's pharmacy locations as Exemplary Providers," said Sandra C. Canally, RN, The Compliance Team's Founder and CEO. "Exemplary Providers are true leaders in their home communities as well as in the pharmacy marketplace. Big Y's Exemplary Provider accreditations underscore their commitment and goal of seeking better ways to create and deliver world-class service and value to their patients and clients."

Headquartered in Springfield, Massachusetts, Big Y is one of the largest independently owned supermarket chains in New England. Proud to be family-owned and operated, Big Y operates almost 80 stores throughout Connecticut and Massachusetts with over 11,000 employees. Big Y was chosen a "2015 Employer of Choice" by the Employers Association of the Northeast. Founded in 1936 by brothers Paul and Gerald D'Amour, the store was named after a "Y" intersection in Chicopee, Massachusetts where two roads converge.
