

Reaching Consensus on RHC Quality Measures

Leslie Marsh

CEO

Lexington Regional Health Center

Rural Quality Improvement Network

HRSA planning grant implemented in September of 2021

Goal: to create a network that seeks to expand the readiness of its member RHCs to ratify a core set of quality and cost performance indicators, organize and warehouse the relevant quality data, conduct benchmarking and prepare for the future value-based payment environment

R-QIN Members

Quality Data Sets

NQF #0018 Controlling Hypertension

NQF #0028 Tobacco Use

NQF #0038 Childhood Immunizations

NQF #0059 Diabetes: Hemoglobin A1c

NQF #0419 Documentation of Current Medications
